EXPLAIN

5 MINS

What are **the steps** for this project?

Explore a topic

Create the **questions**

Collect the **data**

Presentation and reflection

OBJECTIVES FOR THIS SESSION

- ✓ Develop your ability to effectively convey meaning through body language and gestures
- ✓ Develop Listening and Critical Thinking Skills
- ✓ Improve Speaking and Interviewing Skills

ENGAGE

15MINS

Body Language Job Charades

- ✓ There will be two large teams.
- ✓ Each team should have one person stand in front to receive the job from the trainer.
- ✓ You need to use your body language to explain the job to your team members and let them guess what it is. The fastest team to guess correctly is the winner.

Activity 1

Listening: Career advice from industry professional

Discussion:

1. What do you get/ learn after you watch this video?
2. Do you agree with what they mentioned? Why/why not?
3. From you point of view, do you think that you have enough skills to be backed or fronted developer? Why/Why not?

TO COMPLETE THIS ACTIVITY : (1) Group work *(15 mins)* (2) Class Presentation *(5mins)*
